

Board Update April 2017

Thank you to those parents who attended the workshop run last night by Mark Osborne, from Leading Learning Ltd, about future-focused learning and innovative learning environments. For those of you unable to attend, we will post a video of his presentation and copies of his slides on the school website in the next few days.

Our next workshop will be held on **Thursday 4th May at 7pm**. This will be a joint workshop with the Board, Ministry of Education and Architect on the property design. It is an opportunity for the wider school community to provide input the final design.

Many of you will have read the recent feature in the Dominion Post on Innovative Learning Environments and the challenges for schools transitioning to this new approach to teaching. As a Board and Management Team we recognise these challenges and are actively working to address them, including holding these workshops. For those who have not read the article, here is the link: <http://www.stuff.co.nz/national/education/90983510/teachers-struggle-with-modern-learning-environments> If you have any questions or concerns, we would encourage you to attend the workshop on Thursday 4 May.

We wish you a safe and restful break and look forward to seeing you at the start of Term 2.

We welcome your feedback. If you have any questions or comments, please feel free to contact us by email: [bot @brooklynprimary.school.nz](mailto:bot@brooklynprimary.school.nz) or via the school office.

Our next meeting is scheduled for 7.00 pm Thursday 18th May, in the Staff Room.

Regards
