

# HIVE

**LEARNING AT HOME 2020**

# ***What we're hoping for you to get from remote learning***

- Develop self managing skills, timetabling, completing learning
- Demonstrate empathy (be aware of the needs of others in the household)
- Show integrity making good choices, this includes sensible behaviour online
- Create positive memories
- Consolidate learning from Term One and make connections with 'real life' contexts
- Have loads of fun.

# EXPECTATIONS FOR WHANAU

- We want you to use this resource in a way that best suits you all at home.
- You can email your whanau kaiako at anytime with a question or if you just want to get in touch (we will endeavour to get back to you within 24 hours).
- It would be great to post some learning that you're doing at home to Seesaw so teachers can give feedback. (Instructions in slide 5).
- Your wellbeing is important to us. There is no pressure to complete the tasks.

# MY LEARNING DAY EXAMPLE

# TAKING IT OFF THE GRID

Activities that involve less device that you can add to your timetable.

What plants do you have inside? Do you know their scientific names? Find a plant book and research them.

Find out what someone in your bubble is great at and get them to teach you about it

Weed the garden with someone who knows what weeds are.

Find your Home Learning book and look through ideas that you may want to do from the Hauora worksheet.

For more 'offline' ideas click [here](#)

Draw the view from your lounge window. Add colour

Interview someone in your bubble. Make up five questions that you don't know the answers to about them.

Train for the cross country with a family member.

# TEACHER READING

Don't miss out on your favourite part of the day! Head to Seesaw at 11am on a school day where the HIVE teachers will read to you via a video.

# Belonging

During this time, it is important that you know that you are an important part of our Brooklyn School whānau. It doesn't matter whether you are at school or at home you are cared for. You are also a member of your 'bubble' and play an important role within this special group. You are listening and supporting what New Zealanders need to do now to keep everyone safe. We are all in this together.

## Excellence

While you are learning, playing and being a member of your bubble at home, you need to strive to do the best you can do. Remember it's ok to make mistakes and learn how to better your performance by trying a different way to solve problems you might face.

Strive to be a kind family member.  
Make yourself proud.

## Resilience

This time is really different for all of us. It's ok to feel a range of emotions and feelings. It's important to know this time will end. Do your best in the new situation and think of it as a chance to create wonderful memories you can share with others.

## Integrity

Remember to stay above the line

*Take:*

*Ownership*  
*Accountability*  
*Responsibility*

---

*Try not to:*

*Blame*  
*Excuse*  
*Deny*

## Respect

At home you will be getting to know your family really well. You will have to be extra patient and show respect towards people and pets in your bubble and the belongings in your home. Make sure you remember your manners and/or a quiet space to go if you need a wee breather. Show flexibility, things may not always happen when you need them too.
